Creating Your Pearson Testing Account

Texas educator candidates using the Pearson website for the first time to register and schedule to test will need to create a Pearson testing account. Once your new Pearson account is created, any Texas educator examination testing history you may have since 2006 will be available in your Pearson account. This includes your prior score reports.

To create a Pearson testing account, you will:

- **Specify a permanent email address to use as your username.** Do not use an email address that is temporary, such as one associated with a college or district affiliation to which you may not always have access.

- **Create a password.** Passwords are required to be between 6 and 30 characters and must contain at least one letter and one digit and cannot contain spaces or any of the characters "&="<>\[\]."

- **Create a security question and answer.** Your security question will be used to verify your identity should you need to change your password.

- **Do you already have a TEA ID number?** If you are an EPP candidate, or a Charter School or PACT candidate who has already tested, you will need to provide your TEA ID number so that your Pearson testing account can be linked to your TEA Educator Profile.

If you are a first-time Charter School or PACT candidate, answer “No” to this question and enter your personal information as requested by the system.
Using Your Pearson Testing Account

Once you have created a Pearson testing account on the Texas Educator Certification Examination Program website, you will be able to:

- Register for exams that you are eligible for
- Schedule your test appointments
- Reschedule existing test appointments, free of charge, up to 48 hours before your appointment time
- Update your email and password as needed
- Review your testing history
- Access your score reports, for scores reported
Registering for an Exam and Scheduling a Test Appointment

In the Pearson system, **registering** for an exam is separate from **scheduling** your test appointment.

- Before registering for an exam, you can use the seat availability tool (use [this link for language exams](#)) to confirm that there are available appointments at locations and on dates and times convenient for you.
- You may schedule your testing appointment when you register, or at a later time.
- You may reschedule or cancel your testing appointment, without any fees, up to 48 hours before your scheduled appointment date.
- You must schedule an appointment and test within 170 days of registering for an exam.
- If you withdraw your registration, you will be refunded your exam registration payment, minus $25. The Texas.gov funds are not refundable.
Registering for an Exam

To register for an exam, choose the “Register” option on the Texas Educator Certification Examination Program website. If you have not yet created a Pearson testing account, please do that first. Then, once you have signed in to your Pearson testing account, you will be ready to register.

1. **Select your exam.** You will be able to select only those exams for which you are approved.
2. **Opt in for Alternative Testing Arrangements** if you have documented physical, learning, or cognitive disabilities and require additional arrangements *beyond* the following, which are available for all test-takers without prior approval:

- wheelchair access
- access to visual enhancement features including color contrast and enlarged font
- comfort aids (see the complete list on the [Pearson Comfort Aids](#) page)
- breaks to use the restroom, take medication, use an inhaler, etc.

```
Alternative Testing Arrangements

Examinees with documented physical, learning, or cognitive disabilities may be eligible for alternative testing arrangements.

For information about policies and guidelines and about how to complete and submit the Alternative Testing Arrangements Request Form, read more here.

Before indicating "Yes" below, please review the list of comfort aids that are available at all test centers without prior approval.

Do you plan to submit a request for alternative testing arrangements?

You may now schedule your testing appointment or you may choose to complete this step at a later date. Testing appointments must occur within 170 days of registration.
Scheduling a Test Appointment

Before registering for an exam, you can use the seat availability tool (use this link for language exams) to confirm that there are available appointments at locations and on dates and times convenient for you.

When you are ready to schedule your test appointment or if you need to change your test appointment, choose Schedule or Reschedule in your Pearson testing account.

1. Select one or more exams to schedule. If you have registered for two exams, you may schedule them in back-to-back appointments on the same day. After selecting the first exam, click the button to “Add another exam to take on the same day.”

If you do not select this option now, you will not be able to add a second exam later and you will not be able to take both exams back-to-back.
2. **Find nearby test centers.** Enter a zip code or city that is convenient to you, and then select up to three test centers to check appointment availability for each of those locations.
